COUNSELORS

A shoulder to cry on, a wise person upon whom to rely, our counselors, Mrs. Henderson, Mr. Marion, Mrs. Jones, and Mr. Jenkins, have offered the advice and guidance so necessary to high school students. The counselors can't always answer a question or solve a problem, but they can help us find the answers and help make life more livable. They are our friends, our advisors; they are always there.

The Season at a Glance

The 1976 football season opened with many questions unanswered for the Coyote coaches. Inexperience and waning numbers were their main concerns; however, Pack tradition "never says die."

Players' and coaches' goals were high as the young team began non-district play. Each of the four non-district opponents enjoyed the fruits of the Coyotes' inexperience. Fumbles plagued an otherwise improving offense while the defense hammered away at opposing running backs. In spite of an early 0-4 record, the non-district games provided the seasoning that the Coyotes needed.

District play held new and exciting moments as the Coyotes elied and devoured the L. D. Bell Blue Raiders 26-3. The Fighting Farmers were on the schedule next, and the heavily favored Coyotes had a long ride home as the Lewisville team defeated the Pack 7-6. Hirsch was not so fortunate, though, as the Coyotes were able to hold off the Huskies in a suspenseful defensive duel ending 12-6 in favor of the Red River Roughnecks. The following week found the Coyotes in Denton. After a shocking 20-7 half-time lead favoring the Broncos, the Coyotes busting the Broncos in the last five minutes of the game, capped an exciting 21-20 victory. Open week allowed extra time to prepare for the district favorite — Trinity. A valiant first half 3-0 lead faded as the Coyotes fell 16-3 to the Trojans. The next week, Rider week, opened with all the spirit paraphernalia imaginable. Emotions ran high as the Coyotes rolled to a first half 7-0 lead in sub-freezing temperatures. The entire game was neck and neck until the Raiders managed to overcome the Pack 14-7 in the last two minutes of the game.

Despite the disappointing 3-7 record, the unity of the 1976 Coyote football team demonstrated the pride and spirit of '76 as they were "one for all and all for one" in victory and defeat.

Second Team

The 1977 Coyote basketball team enjoyed much success this year as they posted a respectable 18 win 15 loss record. The very inexperienced team, tabbed by sports writers to place fifth in the district race, brought glory and honor to the old red and black by winning the first half of district, thus earning a playoff berth for the district championship. Height was a great disadvantage to the Pack, but they overcame this problem with hustle and determination to win.

The Coyotes grabbed first place honors in the rugged Midwestern State University Tournament and won the Consolation Prize in the Lawton and Lubbock Invitational Tournaments.

Under the direction of head coach Steve Middleton, the Coyotes, with eight returning lettermen, show promise to improve on the great 1978 basketball season.

COYOTE CHEERLEADERS

School Prayer

Dear Lord,

In the game that goes on tonight

We ask for a chance that is fair,

It doesn't matter if we win, it doesn't matter

if we lose, we'll still be there,

If we should win, let it be by the
code.

With our spirits and courage held
high.

But if we should lose, let us stand by
the road.

And cheer as the winners go by.

In his name.

Amen.

School Song

Hail to our colors,
Hail to our school,
We'll back you forever,
That is our rule, together,
Onward to victory,
Onward to fame,
In winning or losing,
We'll honor your name.
